Introduction

1. Claims 1-2, 5-7, 9-13, 15-18, 20-22, 52-54, 56-65 of U. S. Application 09/400,365 filed on 20-September-1999, are pending. This action is responsive to 4/11/2005.

Allowable Subject Matter

2. Claims 1-2, 5-7, 9-13, 15-18, 20-22, 52-54, 56-65 are allowed over the prior art of record.

3. The following is an examiner's statement of reasons for allowance: The disclosure of the prior art of record has been previously discussed. However, the prior art of record does not disclose or suggest modeling circulation and the effects of surgical reconstruction in a specific patient in which the model or simulation is corrected based upon calculated and measured blood flows from the patient (argument on page 12 of response of 9/7/2004), as recited in independent claims 1 and 12, and supported by the specification. Furthermore, the prior art of record does not disclose or suggest limitations 2, 4-5 of claim 61, as recited, in the context of the claim.

4. All other rejections/objections have been withdrawn in view of reconsideration of Applicant's response of 9/7/2004.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
